

Column Title	AlertID	Date	Prdc	Hdln	Patr	Lnge	Src	Time	RltSym	Sbjts
Description	A unique code to identify a given news alert - Note: Alert ID won't change for the update/follow up news	Date of the news	Product codes identify which desktop news product(s) the news item belongs to. They are typically tailored to specific audiences.	The headline text of the news item.	Pattern codes, also known as recurring report codes, identify news items that follow a pattern. Items sharing the same code cover periodic updates to the same subject matter and often have very similar headlines Note: Not all news have this code	language code	Identifier for the source that provided the news item.	The time when the alert was received	Company identifiers that relate to this news item. Note: Prefix S: - Symbols in PPro8 system R: - Reuters Symbols that are not in the PPro8 system	Subject codes and company identifiers that relate to this news item.
Can it be filtered?	No	No	Yes	No	Yes	Yes	Yes	No	Yes	Yes
Filter supports Regex Syntax			e.g., PGA PGF - News that have code PGA or PGF							e.g. (?=.*B:)(?=. *1649) - News that have Prefix B: and Value 1649
Examples	nRTV4jnN6G	20190813	RCNBC	Reuters Insider - CBS, Viacom warn merger to cause job losses, hint potential deals ahead: Alex Sherman	N/A	en	CNBC	20:21:51	N/A	M:{1Q1,1QD}

Exclusive to Day Trade The World™ - Internal Use Only

Prefix	Value	Topic Description	Topic Definition
A	P	Equity-Linked Bonds	All news about equity-linked bonds, including convertible and exchangeable bonds and warrant-bearing bonds.
B	1645	Private Equity (TRBC level 5)	Companies engaged in investing in unlisted entities and/or conducting buyouts of public companies that result in a delisting of public equity. The private equity investment partnerships that are open to a limited number of investors and require a very large initial minimum investment. Private Equity companies usually get involved in the management of the acquired companies. Excludes investors who focus on venture capital.
E	5A	Equity Stakes	The purchase or sale of a potentially significant stake in a company's equity by another company, individual or group of investors. These are deals that result in stakes of 50% or less in the target company.
E	K	Equity Capital Changes	News about equity capital changes including IPOs and secondary share offers, buybacks, share redemptions and consolidations, share splits, bonus and scrip issues. Includes announcements that a company plans to make equity offering/placing, the pricing of offerings/placing and their completion.
